Dear Rick,

I want to thank you for the time and effort you put forth on the wonderful landscaping job you and your staff did for my husband and I not long ago. We absolutely love it! You and your staff did a wonderful job and we are very happy with the results as well as the price.

We will most certainly call Varga's for our backyard project when we are ready.

I will be calling you soon as I have a question about one of the Golden False Cypress bushes. It appears to be turning brown. I also have questions on what to trim, when and how.

Again thank you for your time and effort.

Regards,
Alan & Sharon Zink
